Get Lost: Camouflage!

Thur. 9/16 10:30 am

Kiefer for Kids: Preschool As the leaves start to change this fall, learn how animals protect & hide themselves with color and texture.

Water Garden or Fish Pond?

Fri. 9/17 10:30 am

A pond is not a pond is not a pond... Design and construction varies for water gardens or fish ponds. Learn from Mark Kiefer, who has built water and fish features for landscapes since 1984.

DIY Waterfall & Water Garden Plants

Sat. 9/18 10:30 am

Enjoy the sound of a waterfall from your deck chair- you can Do-It-Yourself in a weekend. Learn to basics of waterfall installation and how to dress up your water feature with aquatics- great plants for wetland edges to pond bottoms.

Leaves, Colors & Shapes

Thur. 10/7 10:30 am

Kiefer for Kids: Toddler Basic shapes and colors from tree leaves will be collected, drawn and colored in this young naturalist activity.

Garden Paths with Pavers or Stone

Fri. 10/8 10:30 am

Kiefer's mason, Mike Reilly, shows how to install walkways & paths. Preparing the proper foundation + correctly estimating materials will make your path easy to lay a lasting walkway feature in your garden for years to come!

Herbs for Holiday Celebrations

Sat. 10/9 10:30 am

Fall is a season to celebrate, whether you're scaring away vampires, or dressing Tommy Turkey. Kiefer's resident herbalist, highlights the best evergreen or winter herbs for all your fall garden, table and landscape.

Leaf Colors & Art

Thur. 10/21 10:30 am

Kiefer for Kids: Preschool Basic shapes and colors from tree leaves will be collected and made into a mosaic for a take home art project.

Natural Arbors & Trellises

Fri. 10/22 10:30 am

Learn how to build your own trellis system for climbing roses, woody vines or monster kiwi vines. Learn from Kiefer's plantsman, Mark Kiefer, & our expert carpenter, Adam Gentry, that you can build a trellis support from natural materials.

Maintenance Pruning for Holiday Greens

Sat. 10/23 10:30 am

Get a two-fer this season by pruning correctly while harvesting holiday decor. Shiny evergreen leaves, winter berries & Christmassy cones can be cut now & enjoyed at your holiday tables, plus your plants will be healthier next spring.

Soil is Alive: Worm Dig!

Thur. 11/4 10:30 am

Kiefer for Kids: Toddlers. Even the cold doesn't stop the earth from moving. Dig for worms with us and discuss how worms enhance soil.

Garden Design Introduction

Fri. 11/12 10:30 am

Winter is a blank slate in the garden, now is the time to dream & design. Kiefer landscape designer Chuck Goodman, teaches design basics for creating your landscape of a lifetime. Raise property value, save energy and plant beauty in your yard next year after learning tips in this class.

Dem Bones: Garden Structure in Winter

Sat. 11/13 10:30 am

The bones of the landscape can be seen in winter, and there is no better time to learn great design from the best gardens of the world. Join us for a magical trip to examine some of the world's best garden skeletons.

Under Your Feet: Worms Make Soil

Thur. 11/18 10:30 am

Kiefer for Kids: Preschool. The soil under your feet is alive, and important! Worms are the best composters & we can help them.

Chirp, Chirp, Snack Time!

Thur. 12/2 10:30 am

Kiefer for Kids: Toddlers. Are you taking care of the birds this season? Make a bird feeder and give them a present this holiday season.

Hear the Birds?

Thur. 12/16 10:30 am

Kiefer for Kids: Preschool. Cardinals are red, but how do they sound? Listen to the birds and make them a treat in this session.
