FRUITY FALL FESTIVAL! Sat. 10/2 & Sun 10/3

Celebrate the fruitful fall harvest at Kiefer Garden Center. Plant and tool specials include all you need for a home orchard: figs, grapes, apples, Asian pears, paw-paws, raspberries, blueberries, persimmons, pears, compost, pruners, water cans & more!

This festival is a fundraiser for SEEDS (South Eastern Efforts Developing Sustainable Spaces) a non-profit garden program in Durham. SEEDS has community gardening space, hosts the DIG (Durham Inner-city Gardeners) youth development initiative & the SEEDlings after-school program. Kiefer employs DIG youth in our Garden Center & we support their mission of urban gardening and home food production. A portion of proceeds will be donated to SEEDS and its programs!
