Why do you want to garden at SEEDS? Please list as many reasons you can think of. More space on back.

Have you ever gardened before? Please explain.

Do you have other space available to garden, and where?

Do you want to save money by growing your food? Please explain.

About how many people will be eating from your plot?

Will you be bringing other people to the garden with you? (Children, grandparents, friends, spouse?)

About how many miles do you live from SEEDS?
