Harvest Dinner Sponsorship Levels

Join us in celebrating the bounty of the season and 20 years of sowing SEEDS at the 2014 Harvest Dinner. Your contribution supports the beautiful gardens and outstanding programming you have come to expect from SEEDS, and provides opportunity for more of the Durham community to cultivate respect for themselves, for the earth and for each other.

In return for your sponsorship, you will receive the corresponding benefits:

Harvester Level: \$2,500

The Harvester can look down a row and know when her produce is just ripe. In touch with her community of earth, flora and fauna, it is in the hands of the Harvester to deliver the abundance which nourishes us all.

As a Harvester, you support the connection from Seed to Plate, creating opportunities to grow and harvest fresh produce – and to transform it into delicious meals families and communities can share in SEEDS' Teaching Kitchen.

- 8 Reserved Seating Tickets to the Harvest Dinner
- Recognition as Harvester in event program & SEEDS website
- Recognition from the stage

Pollinator Level: \$1,000

The birds & the bees make the world go 'round! Our Pollinators are the link, creating substance and bounty in a beautiful landscape.

As a Pollinator, you support increasing access to interactive learning about sustainable agriculture, mindful eating and environmental stewardship for underserved youth in Durham.

- 4 Reserved Seating Tickets to the Harvest Dinner
- Recognition as Pollinator in event program & SEEDS website
- Recognition from the stage

Cultivator Level: \$500

As the seeds start to germinate, the work is just beginning. The Cultivator tends the rows, keeping out the pests, providing sustenance and ensuring a healthy environment in which to grow.

As a Cultivator, you support the development of a healthy, vibrant food system for everyone in Durham by connecting people to the earth, and to each other!
