

**Job Title:** Durham Inner-City Gardeners  
**Job Salary:** \$10/hr

(DIG) Crew Member, Summer 2020 at SEEDS

**Job Dates & Schedule:** DIG will begin June 15, 2020 and continue through August 7, 2020. The planned DIG Summer Schedule is as follows:

Weekdays: Monday & Wednesday, from 8-12, includes breakfast and lunch (which ends at 12:30 if you choose to stay); Friday, from 10-12:30, includes lunch

Weekends: Saturday, from 8-1, includes breakfast

**Job Summary:** SEEDS is looking for youth ages 14-21 with an interest in farming, cooking and food justice to join our team as a DIG Crew Member. DIG Crew Members are primarily responsible for managing the DIG urban farm space, selling produce at farmers' markets and sharing skills with community via skillshare workshops. The Summer DIG Crew will also work with the Chef Educator once a week to prepare and share a meal with the Summer Camp. This will be a learn-work-share environment and will require candidates who are ok with being outside and working around and with both children and members of the community. DIG Crew Members will work alongside and receive mentorship from SEEDS staff and develop peer-to-peer mentorship relationships with other DIG Crew Members.

#### **Responsibilities and Duties:**

- 15-16 hours per week
- 2-3.5hrs each week will be cooking and sharing a meal (Fridays, and some Saturdays)
- 13hrs each week will be dedicated to Farm Work, such as:
  - Weeding (5-8hrs each week)
  - Caring for chickens (1-2 hrs each week)
  - Planting & Harvesting (1-6 hrs each week)
  - Selling produce at Farm Stand ( up to 2 hrs each week)
  - Planning & executing a workshop for community members & families (8 hrs each month)
  - Aid Community Members on the Pot Luck Farm (up to 4 hours each week)
- Work outside in heat, cold, and sometimes light rain
  - We do not work outside during storms, if it is colder than 45 degrees, or if it is raining and colder than 55 degrees.
- Attend field trips to local farms, helping with farm projects as well as learning about and connecting to land
- Attend workshops and lessons related to preparing food, food justice, herbal medicine, agroecology, restorative justice, and more

**Desired Qualifications and Skills:** Must be between ages 14-21, no prior farm or cooking experience necessary but an interest and desire to learn are required.

Additional preferred skills: ability to work outside in a farm setting, willingness to engage with community, leadership skills, marketing skills, communication skills, project management skills.

**To apply:** Fill out an application online located at <http://www.seedsnc.org/about-dig/> and send to Trevor ([thyde@seedsnc.org](mailto:thyde@seedsnc.org))

**Questions:** Contact Trevor [thyde@seedsnc.org](mailto:thyde@seedsnc.org), or with any questions you may have.
